**MEMORANDUM OF
AGREEMENT**

I, Captain (b)(6) USN currently under investigation for mishandling classified information, in exchange for good consideration and after thorough consultation with my defense counsel, do fully understand and agree to the following terms and conditions:

1. I agree to enter pleas of GUILTY as indicated below at Admiral's Mast. I assert that I am, in fact, guilty of the offenses to which I am pleading guilty and I am entering into this agreement freely and voluntarily and no one has threatened or coerced me into entering this agreement.
2. This agreement constitutes all the conditions and understandings of both the government and me regarding the plea in disposition of this case in lieu of trial by court-martial. There are no other agreements, written, oral or otherwise implied.
3. I agree to accept Admiral's Mast and to plead guilty at a nonjudicial punishment proceeding. I understand that I may be awarded a reprimand and my guilty plea may be used as a basis for separation from the Naval service; however, I will be permitted to submit a retirement application within 5 days of receipt of the Admiral's Mast decision.
4. I am satisfied with my civilian defense counsel, (b)(6) in all respects and consider him qualified to advise me with regards to this agreement.
5. I understand that I may ask permission to withdraw my plea of guilty at any time before it is accepted by the Convening Authority and demand a trial by court-martial.
6. I understand this agreement may become null and void, and the Convening Authority can withdraw from this agreement, if any of the following occur:
 - a. I fail to plead guilty as set forth in this agreement;
 - b. The Convening Authority refuses to accept my plea of guilty; or
 - c. I fail to satisfy any material term of this agreement.

ORIGINAL

ORIGINAL

7. I understand if this agreement becomes null and void, then my offer to plead guilty and to enter into this agreement cannot be used against me in any way to prove whether I am guilty or not guilty of the charges alleged against me. In this regard, the offer to plead guilty includes any statement or proffer made in the course of plea discussions with the Convening Authority or any counsel for the Government, whether in oral or in a written form.

8. Specially Negotiated Provisions. As consideration for this agreement and after having fully discussed the issue with my defense counsel:

a. I agree to accept Admiral's Mast.

b. I agree that I will submit a retirement request within five days of the Admiral's Mast decision.

c. I agree to waive all rights to appeal the decision at Admiral's Mast.

d. I agree not to request, at Government expense, the presence of any witness located more than 50 miles from the Admiral's Mast location. This provision does not interfere with my ability to present an effective case. If I have further material to present, I intend to use alternative means to present this material.

e. I agree, and am fully prepared, to go to Admiral's Mast and offer to go to Admiral's Mast no later than 30 July 2016. I understand that this agreement will not be deemed to have been breached if the Government is unprepared or the Convening Authority cannot schedule the Admiral's Mast by that date.

f. I agree to waive any Board of Inquiry that is based on any act or omission reflected in the charge and specification that are the subject of this agreement. I understand that I will be permitted to submit for retirement in lieu of any administrative separation action taken by the Convening Authority. However, Bureau of Naval Personnel may, at its sole discretion, direct a Board of Inquiry.

g. I understand that should I commit any misconduct after the signing of this agreement but before the date of Admiral's Mast, such misconduct may be the basis for the Convening Authority to unilaterally withdraw from the agreement, rendering the entire agreement null and void. I further understand that if I commit misconduct on or after the date of Admiral's Mast the Convening Authority may convene a second Admiral's Mast or prefer charges based on the misconduct.

9. Notification Provisions. I have been advised of the following potential consequences of my pleas of guilty at an Admiral's Mast and resulting administrative impacts:

a. My defense counsel has advised me that the Bureau of Naval Personnel may still direct a Board of Inquiry, despite my pleas of guilty at Mast.

b. My defense counsel has advised me that my current security clearances will be revoked.

ORIGINAL

ORIGINAL

- c. My defense counsel has advised me that, as a result of my pleas, I may not be able to obtain a security clearance in the future.
- d. My defense counsel has advised me that the U.S. Navy will do a grade determination after I submit my retirement request. The grade determination will be determined based upon my entire service record to include the misconduct which is the subject of this agreement.
- e. Nothing prohibits me from submitting documentation in support of the grade determination.
